In regards to: Annual Northeast Softball Day

Dear Head Softball Coaches, Potential Student Athletes and parents:

Northeast Mississippi Community College is pleased to be located in the hotbed of softball. As you know Northeast Mississippi Community College has become one of the top community college programs not only in the state but country. We are excited about a new venture into the recruiting process of potential student athletes. Under third year head coach Jody Long the Tigers will host its annual Northeast Softball Day on Wednesday October 21, 2009. What is Northeast Softball day one might ask? It is a day where any high senior softball player who lives in Alcorn, Prentiss, Tippah, Tishomingo and Union counties will have a chance to get great information about the Northeast Softball Program and Northeast Mississippi Community College. The day long agenda will consist of information about admissions to Northeast, how the financial aid office serves the students, what services are provided through the counseling center, library and information within the athletic department. Campus Tours and Lunch will be provided as well as a softball skills camp with Coach Long and his current Tigers. This event is open to any senior who wishes to play softball at northeast, high school coaches and potential athlete's parents. Please register online at [www.nemcc.edu](http://www.nemcc.edu) click athletics and softball, from there follow the instructions. More information as well as a schedule of events can be found on the Northeast website.

We are excited to get the opportunity to host our local seniors on our campus and to make this successful we need everyone who wants to play softball at Northeast to attend. This takes you as coaches to encourage and make sure they attend. With national signing day just around the corner on January 15, 2010 which is before the fast pitch season and our protection list due March 15, 2010 this is the only way for us to be able to look at our future recruiting class. I want to personally ask any player who wishes to attend Northeast and play softball to be present on October 15<sup>th</sup> for our Northeast Softball Day

Please feel free to contact me if you have any concerns or questions and we look to seeing you on October 21, 2009. The deadline to register online is Wednesday October 14, 2009.

Jody Long  
Softball Coach  
Northeast Mississippi Community College
