

Dear Potential Tigers:

Hello from Northeast Mississippi Community College. Our college and athletic programs are committed to academic and athletic excellence. We are interested in quality athletes who are willing to make the necessary sacrifices to become the best they can be in the classroom as well as on the diamond. Are the commitments and sacrifices worth it? You bet!

Northeast Mississippi Community College has been recognized for its academic excellence. Students may select a major from nearly one hundred different academic areas. Northeast's beautiful campus is located in the Northeastern part of Mississippi. Enrollment is approximately 3,000 students, which makes for a more personable and friendly campus.

What does it take to become a Northeast Tiger? A student must have a High School Diploma or a GED Certificate. Northeast Mississippi Community College is a leader among Community Colleges in Mississippi. Northeast strives for academic and athletic excellence and continues to build successful relationships with universities nationwide. Some twenty athletes have signed four year scholarships and continued their experiences at major universities in the past five years

The Northeast Tiger Softball program continues to be successful year after year. Past Tiger Softball teams have won seven out of eight conference championships and have been awarded as Region XXIII champions and runner up. The Tigers have participated in the national tournament and continue to hold a national ranking by the National Junior College Athletic Association. Other National honors include Academic team of the year and coaching staff of the year. Our program has also produced All Americans, Academic - All Americans, and over fifty individual regional awards. Northeast Softball continues to strive in academic excellence finishing in the top ten in the nation three years in a row. In 2008 Northeast had four of its six sophomores sign D1 or D2 scholarships. In the eight year history of the program we have produced over twenty senior college athletes.

We are in the middle of recruiting for the 2009-10 season, as well as preparing for another championship run. In 2008, Northeast continues to rewrite the record books finishing with an overall 34-20 mark, 14-3 conference record. I would encourage you to attend our camps; camps are the best way to be recruited information located at www.nemcc.edu

We currently have fourteen players with five sophomores and seven freshmen. In the past we have carried 15 -17 players but we are looking to have a squad size of twenty next year. Our current plans are to retain five freshmen and we have signed four seniors. We are looking at signing two out of state players and **NINE** more 09 graduates from Mississippi. Our main focus is a big time short stop that can make plays, hitting will just be a plus. We need players with heart that love the game and want to work hard. We do not want talented players who are afraid of the ball or lazy. Seniors we want you if u play the game balls to the wall and no battle is too big for you. Please do not waste your time or ours is Softball is not your life or you do not love the game. We run a clean Christian based program that needs players from all over Mississippi, but we treat this like a job and we expect you to.

May you have a successful year and we look forward to hearing from you! Thank you in advance for taking the time to consider Northeast and what we have to offer.

From the Dirt,
