Dear Potential Tigers:

Thank you for your interest in Northeast Mississippi Community College. Our college and athletic programs are committed to academic and athletic excellence. We are interested in quality athletes who are willing to make the necessary sacrifices to become the best they can be in the classroom as well as on the diamond. Are the commitments and sacrifices worth it? You bet!

Northeast Mississippi Community College has been recognized for its academic excellence. Students may select a major from nearly one hundred different academic areas. Northeast's beautiful campus is located in the Northeastern part of Mississippi. Enrollment is approximately 3,000 students, which makes for a more personable and friendly campus.

What does it take to become a Northeast Tiger? A student must have a High School Diploma or a GED Certificate. Northeast Mississippi Community College is a leader among Community Colleges in Mississippi. Northeast strives for academic and athletic excellence and continues to build successful relationships with universities nationwide. Many of our athletes have signed four year scholarships and continued their experiences at major universities.

The Northeast Tiger Softball program continues to be successful year after year. Past Tiger Softball teams have won six consecutive conference championships and have been awarded as Region XXIII champions and runner up. The Tigers have participated in the national tournament and continue to hold a national ranking by the National Junior College Athletic Association. Other National honors include Academic team of the year and coaching staff of the year. Our program has also produced All Americans, Academic - All Americans, and over fifty individual regional awards. Northeast Softball continues to strive in academic excellence finishing in the top ten in the nation three years in a row.

We are in the middle of recruiting for the 2008-2009 season, as well as preparing for another championship run. In 2007, Northeast continues to rewrite the record books finishing with an overall 27-30 mark, 12-4 conference record. I would encourage you to attend our camps regardless of your age, camp is the best place for players to be seen by college coaches. In the fall 2007 we will offer our annual five county Northeast Softball Day, please attend if your interested in becoming a tiger.

We hope you will consider joining one of the top softball programs in the state. Enclosed is a questionnaire that needs to be completed and returned along with a skills video and a current game or travel ball schedule, if available.

May you have a successful year and we look forward to hearing from you! Thank you in advance for taking the time to consider Northeast and what we have to offer. We are looking to sign two pitchers, a catcher, two middle infielders and two outfielders for the 2008-09 school year.

From the Dirt,
